

## Bespoke Wine Displays

**Unique wine displays and cabinets that perform both operationally and visually.**

From state of the art spectacular displays & rooms utilising led lighting, to refined stylish cabinets utilising only the highest quality materials and finishes, each designed and realised to your individual requirements.

**Concept** has the ideal solution for any application: hotels, restaurants, late night clubs & bars, private members clubs and private residences.

## Bespoke Wine Displays

From high specification to more modest custom cabinets we can tailor the build to meet most budgets.

We work with interior designers and architects to ensure a perfect seamless solution, and also with sommeliers, who understand the need for the perfect blend of form & function.

We also supply custom humidors to accompany the wine cabinets.

Concept's expertise in custom refrigeration is well known but now, working with world & local specialists we can deliver the best wine solution in the UK which in turn increases sales and the quality of the offer.

Cabinets and displays that are simple and stylish, or complex with high specification materials, finishes and detailing are all possible. Plus the cabinets will perform perfectly, handling the temperature required to store or display wine.
